SAMPLE LESSON ORDER INCORPORATING VISIBLE THINKING ROUTINES

1. Do the above part of **3-2-1 Bridge** as the topic intro. If you do this first, it gives a more accurate representation of what they already know...or don't know.
2. Give each student a picture or each table a set of pictures and have them do the **See, Think, Wonder**.
3. Next, you would fit in lessons from textbook, supplements, videos, labs etc. and have them record KEY information in the "Bridge" section.
4. Do "**Headlines**" routine with either pictures and see think wonder OR you can use articles about the topic and do a "Future" article as a part 2 follow up.
5. Finish the 3-2-1 Bridge bottom portion
6. **I used to think..now I think** can be used as a final *exit slip* on the topic
