Pacific Trash Vortex Photographs

Here are some of the things that 8th graders wondered about photos from the Pacific Trash Vortex!

Try to answer these questions with your own thoughts and ideas.

1. How can we stop this all (besides recycling)?
2. Will people ever stop using so much plastic?
3. Can animals survive these circumstances?
4. Will humans ever clean it up?
5. Why aren't people stopping this?
6. How would people feel if they could see these effects?
7. How much of the ocean has trash in it?
8. How much plastic trash is in the ocean?
9. How much money would it take for us to clean up the whole ocean?
10. How can people do this to animals?

11. Why are we doing this?

12. Why are people just throwing this plastic away?

13. Is there a solution to this issue?
